

## Public Health Certificate Program Graduates Class Of 2005

The Public Health Certificate Program Class of 2005 graduated 37 students on Dec. 14. The 12-month program, meeting twice a month, provides orientation to local health department, state health office staff and community partners. These sessions provide an overview of the core public health functions and essential services, public health performance standards and describe the organization and implementation of public health programs at the national, state and local levels.

KDHE employees who graduated this year included: Deborah Bales, Pam Barnum, Pat Behnke, Mike Cameron, Rodney Ferguson, Joseph Kotsch, Milroy Moses, Tamera Jo Peterson, Patricia Smith and Jerry Tenbrink.
